

Call management and ACD reporting

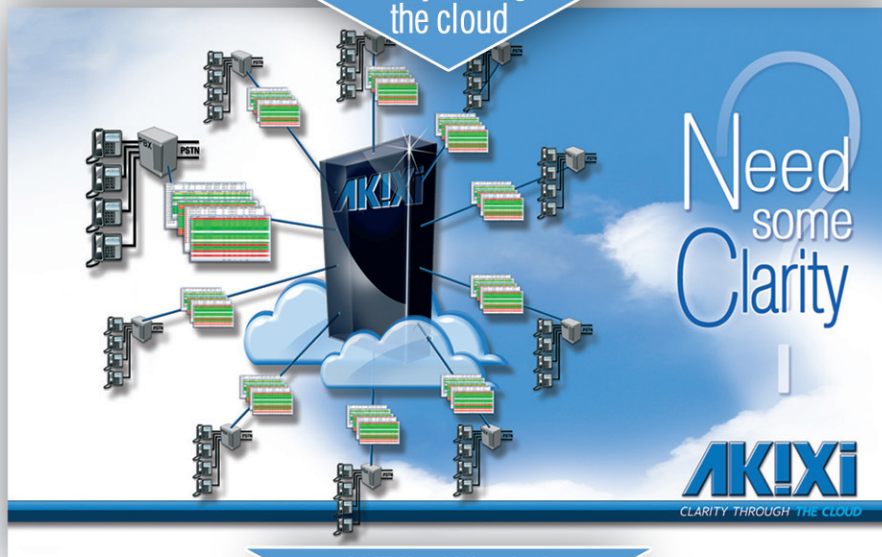

Some of the current disadvantages

Clarity through the cloud

Need some Clarity

AKIXI
CLARITY THROUGH THE CLOUD

Need some Clarity

AKIXI
CLARITY THROUGH THE CLOUD

AKIXI - Why is it so good?

- No software to buy or maintain
- No additional P.C.'s to buy or maintain
- Minimal connection costs
- Minimal technical setup
- Very quick to set up
- Pay As You Go
- Multi site reporting as standard
- Real-Time & Historical Reports
- Cradle to grave call tracking
- Use when you want, even a month at a time
- Works on MAC, P.C., Linux and Mobiles
- Always up to date
- Disaster Recovery built in
- Available anywhere & everywhere
- Internal Calls
- **Very ecologically friendly**
